

A key component of the mathematics curriculum is the development of skills, competency, and efficiency in technology aided problem solving.

**IB Mathematics Calculator Policy**

All students enrolled in an IB mathematics course are required to purchase a TI-84+ calculator.

*The TI-89 Titanium is not appropriated for IB Mathematics Classes.*

**Special note to IB Math HL, year 1 students**

Please note that you will continue to use your TI-89 calculator in class and you must also purchase a TI-84+ calculator.
