GENERAL INFORMATION
The American School of Doha, founded in 1988, is an independent, US accredited, college preparatory school with state of the art facilities. ASD offers classes for children from PreK through twelfth grade designed to meet the needs of both the expatriate and local communities.

The American School of Doha offers the International Baccalaureate program, an internationally recognized qualification for university entrance. A two-year diploma program, IB courses are taught in addition to traditional AP courses and are available to non-IB students as well. All graduates of ASD earn a standard US secondary school diploma.

There are 197 faculty members presently at ASD, 49% of which hold advanced degrees. The faculty is 80% North American but in total represent 34 countries. All faculty members participate in professional development through local workshops, regional conferences and summer study grants.

The total school enrollment as of September 2010 was 1943 students; 553 of these are in the high school with 140 in the senior class. Students come from over 64 different countries with approximately 40% coming from the United States and 11% made up of Qatari nationals. The American School of Doha is accredited by the New England Association of Schools and Colleges, and is a member of the National Association of College Admission Counselors (NACAC).

MISSION STATEMENT
The American School of Doha is committed to the intellectual and personal development of our students, inspiring and empowering them to become positive, active global citizens.

SCHOOL CALENDAR
ASD’s first semester begins in August and ends in mid-January; the second semester begins in mid-January and ends in early June. Classes meet for 85 minutes, two times in a four-day cycle. There are 179 instructional days in the year.

**GRADING, GRADE POINT AVERAGE (GPA) AND CLASS RANK:**

A cumulative GPA is maintained for grades 9 - 12 based on semester grades. Only grades earned at ASD are used to determine the cumulative GPA. Due to the transient nature of our population the American School of Doha does NOT report academic rank. Class grades are reported as letter grades on the transcript using the equivalents listed in the grading system chart.
