Art:
Supplies needed for sixth grade Art:
Due on the first day of class.

Every student needs a spiral bound sketchbook like the one to the left. It does not have to be black but it must be spiral bound and should measure 9x12” (A4). When purchasing a sketchbook, please make sure that it is for drawing and not for watercolors or some other medium. It should say “sketch” somewhere on it. I will give them a label to put on the front of their book on the first day of class. Our first assignment is in the sketchbook so it is important that supplies come with students on the first day.

Students should also have a pencil case with three pencils, an eraser, a glue stick and a pencil sharpener that will be kept in class. Students should label these supplies with their first and last name.

- Supplies are worth 20 points (10pts for sketchbook, 10pts for pencil case)
- Sketchbooks can be purchased at Jarir or the art store on the top floor of City Center on the Home Center side – I think it is near the Radio Shack. Jarir has the most selection and seems to always be well stocked. Remember that the sketchbook you choose should say “sketch” or “drawing” on it somewhere. Jarir has a classic black spiral bound sketchbook that works great for class.
- Supplies for the pencil case can be bought at and grocery store. Cheap pencil cases can be found at Disco in Hyatt Plaza. The only supplies that should be in the pencil case are the supplies listed above. (no colored pencils/markers). Students can also use a zip lock bag for their pencil case.
- Students who bring in a non-spiral bound sketchbook will be required to punch holes in their sketchbook and secure pages with ribbon.

Music:
- **Please note:** There is a 500QR non-refundable fee for the rental of school owned instruments. This is non-refundable. However, if students have their own instruments, or if students take chorale music, there is no fee. All band students will be provided a band method book at no cost.

PE Uniforms:
- Can I still wear last year’s uniform? Yes. For MS students that still have last year’s uniform.
- Uniforms can be purchased at **Zak’s Trading Company:** 450-6940 (Always call to confirm hours of operation! This is a stress reduction initiative.). Zak’s is a store located between the intersections of Decoration Round About and Vegetable Market Round About on Salwa Road.
- Every student needs a spiral notebook for his or her health unit rotation.
- Every student needs a swim cap for the pool rotation and goggles are strongly recommended.

*** The school will provide a planner at the beginning of the year***

Specialty teachers may request other supplies when school begins.
