DragonCards and Bands

One of the exciting changes at ASD in 2014 was the introduction of the DragonCard and DragonBand system. All Middle and High School students are issued identification cards and Elementary School students are issued wristbands. The cards or bands are required to purchase food or refreshments in ASD Cafeterias and cash is not accepted by our food vendors.

DragonCards and Bands will be linked to other school activities, for example when High School and Middle School students collect their laptops and in the future, minor purchases such as yearbooks, t-shirts and field trips in addition to campus access. A QR 50 fee will be charged to replace lost cards and bands. For more information on DragonCards and Bands, please visit http://dragoncard.asd.edu.qa/index.asp and sign in using your family ID. To recover lost family IDs, please contact dragoncard@asd.edu.qa.
